ROXANIE FOR EMPRESS VIII

NOW IT'S ROXANNE'S TIME TO LEAD

In recent months the gay community of San Diego has been subject to heavy police harrassment and the dislike of our ultra-conservative City Council. Major felony crimes have climbed to a record high in our city while the rest of the nation reported a four (4%) percent decline according to figures released by the FBI on March 22, 1978.

Murder, rape and burglary continue to be on the rise while our police department continues entrapping and arresting gays in the park, peep shows and in some of our bars and other businesses. Gays living in San Diego County have been told by the Mayor of Vista that they are "misfits" and "oddballs" and are not wanted. Indeed the entire gay community of San Diego must wake up and face the music that hard times are on their way.

Jeff Hrock (Roxanne) is a known and a concerned gay activist who has the background of involvement and political knowledge that is needed in the leadership role of the San Diego Court System. The Court, the Church, bike clubs, all organizations must become more aware and become more involved.

If you are looking for a beautiful 'show queen' with gorgeous gowns and sexy wigs, Roxanne's not the one, if you are looking for a youthful and charming queen, Roxanne's not the one, if you are looking for a smooth talker with a way with the 'mike' and then unfollowed promises, Roxanne's not the one. BUT if you are looking for a candidate knowledgeable in the gay issues of the times and who is willing to help do something to improve them -ROXANNE'S THE ONE!!

Jeff Hrock (Roxanne) is the ONLY candidate for this office who has attended City Council Meetings, who has supplied hard work in the recent City Council elections, and the ONLY one in San Diego's entire Court System who attended the National Gay Leadership conference in the state of Colorado after Anita Bryant's victory in Florida. Ask any of the other candidates why they haven't been involved. After you hear their excuses, then you THINK about it.

YES, ROXANNE is controversial. Aren't all gay activists who can take a stand controversial? Won't you take a stand for our future on May 6th at the El Cortez Hotel? Now more than ever, IT'S HIS TIME TO LEAD, ROXANNE'S THE ONE!!!

ii846I

Some among us would prefer a future that simply continues the past. I believe we must change with the times and the time has come for all of us to become politically involved and increasingly aware of the serious issues of

EMPRESS VII

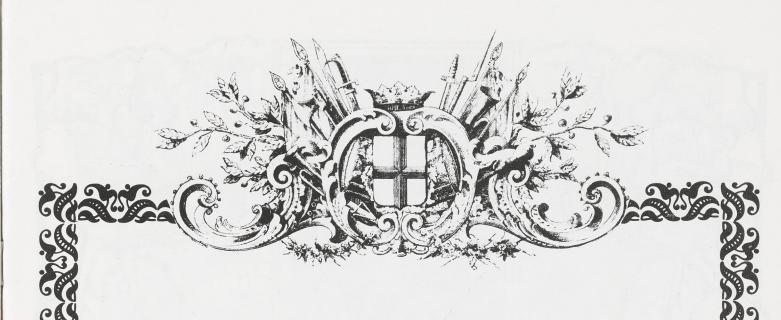

ROXANNE IS:

- Albe to communicate with the business community on an intelligent level.
- Continuously working for gay social service organizations
- Knowledgeable and involved with the political system. Our survival depends on it.

ROXANNE'S PLEDGE TO YOU:

- I will serve San Diego FIRST. However, I do not believe we should isolate our community from surrounding communities. We must stand united.
- I will bring into this court system the badly needed new blood, new ideas, new faces, and most importantly, a NEW DIRECTION for a NEW BEGINNING.
- Remember A vote for ROXANNE is a vote for your own dignity — your own well being — your own life style!
